During this workshop you will learn the basics of melt and pour soap making. You will watch demonstrations of layering, modelling and scrolling techniques and then have the opportunity to express your own individual creativity. Experimenting with colour mixing you will create large block soaps with embeds that can be sliced and cut in a variety of ways. You will create small coloured and fragranced guest soaps. All soaps will be gift packaged at the end of the session ready to give as gifts or to keep!
