This course is open to everybody who would like to learn the techniques of creative hand embroidery. You do not need to be able to draw to enjoy this course. Techniques of transferring images onto different textiles will be shown and you will learn a variety of styles for hand embroidery. The design element of the course will encourage you to explore images for stitch inspiration from your own photographs, found images or from drawings. You will be able to produce attractive hand embroidered textile images with simple designs that can be framed and presented in decorative ways.

**CORE SKILLS:**

- Develop samples of stitches- in a range of techniques including applique, gold work and ribbon work.
- Develop an understanding of how different textiles can be embroidered
- Learn how to transfer a design onto fabric
- Experiment with drawing to create your own unique embroideries

**MATERIALS LISTS:**

Students do not need to bring anything with them – unless they own their own embroidery frame – seat or floor. Embroidery scissors, thimble if required. A range of material and threads will be available to buy from Kate and embroidery frames will be available to borrow or buy during the course.

**Tutor:**

Kate was born in Wales and originally trained as a costume maker. She started the Future Tutor Programme at the RSN in 2013 and graduated with distinction in 2016. She now works as an embroidery tutor and as a stitcher in the RSNs studio.
