Thank you for a fantastic day, the best photography day I've had! Really informative and extremely well structured.
Siobhan Walsh

I now look at everything with new eyes and have taken some beautiful photographs with your advice. I really enjoyed the workshops and wish I could do more.
Armelle van Heerden

A brilliant course, I highly recommend it! Loved the structure and the artistic angle with the technical information.
Tina Southgate

Jackie Rado is a freelance photographer specialising in portrait and travel photography. Her work has been featured in Marie Claire, Travel + Leisure, Traversing the Orient and The Bangkok Post Magazine. See her work & blog at www.jackieradophotography.com
