### COURSE PROJECT: Intermediate/advanced level

The Botanical Art course is tutored by Marcia Hughes, a renowned local artist and an experienced teacher in this field. The aim of the course is to develop your painting and drawing techniques in Botanical Art with an emphasis on accurate depiction. Flowers, foliage and plants are observed whilst Marcia teaches through step-by-step demonstrations. You will learn through practical exercises and in exchanging ideas with your tutor and other students. Marcia Hughes will also encourage you to work towards taking part in exhibitions. This course is suitable for people with some experience of botanical art.
